Boss,

~

Attached is a fairly detailed briefing note on the evolving situation in Windsor, and now Sarnia too. I got most of the information directly from the Mayor's chief and then added updated intel from Public Safety and Transport.

~

Highlights: the Province has reached out to offer OPP support. Local MP Irek K has also reached out to them. I've included his comments in the note. Mayor's office expect a situation report after 4:30 today and may have some asks from us and the Province at that time. I will update with new information.
